Dear Valued Customer,

## Notice of Discontinuation of ARRI SkyPanel S30 Series

We hope this message finds you well. We would like to express our sincere appreciation for your continued support and patronage.

We regret to inform you that, due to the manufacturer's decision to discontinue production of the ARRI SkyPanel S30 Series, these products will be available only while stocks last.

We sincerely apologize that we will no longer be able to supply this product, which has been highly valued by our customers for many years, and we kindly ask for your understanding.

For the latest inventory availability, please contact your sales representative.

We greatly appreciate your continued support and look forward to serving you in the future.

Sincerely

## 2. Successor Model

Although there is no direct replacement within the same series, the SkyPanel S60 Pro is the closest alternative and may be suitable for many similar applications. Please evaluate your project requirements to determine the most appropriate product for your needs.

S60 Pro blue/silver, incl. Diffusion.....	L1.0052046
S60 Pro black, incl. Diffusion .....	L1.0052047

## 3. Repair Service

Repair services for the product will continue to be provided as long as replacement parts remain available from ARRI and our own inventory.

※Please note: The service period for certain accessories, optional items, and peripheral equipment may differ. We appreciate your understanding.
